Decorative Beauty - Practical Lighting

Riviera-Lite *spreads an extra measure of cheer about your place . . .* greets guests with an invitingly warm, welcoming glow. And the Riviera-Lite's permanent, colorful good looks adds a crisp note of gaiety by day, highlights safety and comfort at night.

Ring your patio with Riviera-Lites! Soft, low-lying light covers your grounds with never a glare. Bugs shun their insect-repellant colors.

You won't light up the sky with Riviera-Lites! They'll shed just the light you want, where you want it.

Sparkling, durable finish in combination of yellow, orange and green, or in any one single color . . . solid brass and aluminum construction, mean you'll have YEARS of service even under toughest sea-side conditions of salt air and spray.

The 16" or 21" reflectors flood pools, walks, seawalls with ample illumination. One Riviera-Lite each thirty five to fifty feet is plenty.

When you specify Riviera-Lites for gardens, entrances, drives — for EVERY outdoor lighting need around motel, hotel, club or home — you're specifying distinctive beauty and practicality.

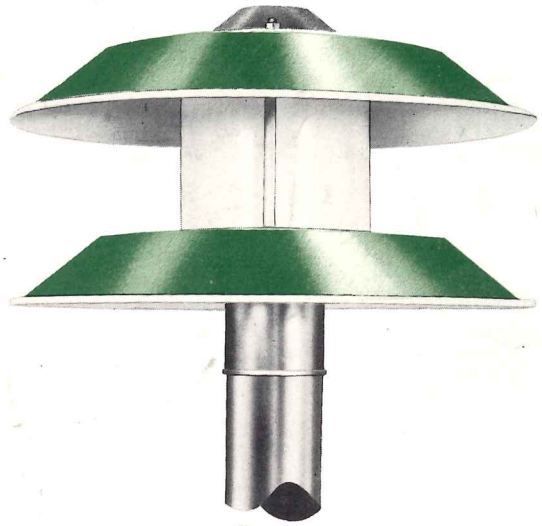
Riviera-Lite

ENTRANCE POST LAMP



MODEL 162D3

Diameter 16" x 9½" high. Equipped with slip fitter for 3" O. D. post. Illuminates diameter 50 feet at 5'6" elevation. Accommodates 150 W lamp. Satin green color with white trim. Globe: 6" x 6" round opal glass. Shipping weight 8 lbs.

Illumination with Attractiveness

An unusual and attractive design that replaces the old style coach lamp. It blends well with the modern and contemporary architecture prevalent in America. For use anywhere outside where indirect lighting is not desired.

All metal is either brass or aluminum.

You may specify Riviera-Lite* with complete confidence in the perfection of detail it will add.

All models have bottom openings for maximum lighting efficiency . . . also permitting self-draining and self-cleaning.
